through the journey of life...

We can't honestly say that we were
looking for each other,
... But it happened ...
And here we are ... two people,
Just happy being together,
Not knowing where to go,
But very sure, that wherever it is,
We'll be going there ... together

Life is too short
to wake up in the morning
with regrets. So, love the
people who treat you right,
forgive the ones who don't
and believe that everything
happens for a reason.
If you get the chance, take it.
If it changes your life, let it.
Nobody said it would be easy,
they just promised
it would be worth it.

LOOK GOOD

I dreamed of a wedding of elaborate elegance;
a church filled with flowers and friends. I asked him
what kind of wedding he wished for,
he said one that would make me his wife.

True
LOVE

Love is a force more formidible than any other. It is more powerful than strength, more powerful than money, more powerful than time. It is powerful enough to transform you in a moment, and offer you more joy than any material possession could. Time is too slow for those who wait, too swift for those who fear, too long for those who grieve, too short for those who rejoice, but for those who love, time is eternity.
